Odyssey Technologies, Inc. Awarded Group Purchasing Agreement for Surveillance Equipment with the Premier Healthcare Alliance

Leading Healthcare Purchasing Network Now Offers Remote Eyes® on Contract

Hanover, Maryland, May, 2011 - Odyssey Technologies, Inc., manufacturer of Remote Eyes® digital video management systems, is pleased to announce that Premier Purchasing Partners, LP, the group purchasing unit of the Premier healthcare alliance, has awarded Odyssey a group purchasing agreement for surveillance equipment and software. Premier is one of the leading healthcare purchasing alliances with 2,500 hospitals and over 70,000 other healthcare facilities as members.

"We are extremely pleased to receive this coveted contract award from Premier. Premier's members represent over \$36 billion in aggregated purchasing power, so we see this as a huge and exciting growth opportunity," stated Odyssey CEO, John Webster. "Our H.264 video management platform will give the Premier members excellent value and remote surveillance capabilities for protecting their facilities."

Long-time customer Art Davenport, owner of Davencorp Management says, "The Remote Eyes system has already paid for itself many times over. With Remote Eyes, we are able to locate key forensic evidence very quickly both locally and remotely. The evidence we are able to obtain using Remote Eyes has been invaluable in defending our company against fraudulent claims for slips and falls, worker's compensation, and employee injuries. By installing the Remote Eyes system, we have immunized ourselves against frivolous lawsuits."
